

Dear Potential Sponsor,

With over 30 years under its belt, the Western PA Reining Horse Association has been the go-to place for beginners in the sport of reining throughout the tri-state area. We are a local 501(c)(3) nonprofit that offers a family friendly atmosphere, with a healthy level of competition. Classes are structured for beginner riders and horses to start in green and work their way up to the Non Pro and Open. Due to the success of our reining program, we have added ranch riding to our shows, with classes in short stirrup, green, youth, and open.

The WPRHA also has an entire youth program, beginning with leadline and transitioning through short stirrup (under 10) and youth classes. The leadline class is also open to individuals with special needs. The nurturing and encouraging environment at WPRHA shows offer excitement for all levels of equestrians, without the pressure of a larger association level show.

We would very much appreciate any donations, large or small, that you would be willing to donate. In exchange for a donation of prizes or money, we will include your name or company logo on our website, shoutouts on our Facebook page, and shoutouts at the shows. If you would like to see a class list, please don't hesitate to reach out.

Thank you for your time and we look forward to hearing from you.

Sincerely,

The Western PA Reining Horse Association
