RULE CHANGES

- A rider must move into the next division after winning the year-end championship 3 times
- A green horse is classified as any inexperienced horse with less than \$250 in earnings (NRHA or WPRHA)

"There are two kinds of people who ride horses, Albert. There are the people who really love a horse, and then there are the people who love what a horse can do for them. You fit in one category or the other."
